**FROM THE DIOCESE OF HARRISBURG:**

**Masks are to be worn as face covering the entire time parishioners attend Mass or any other liturgical event in a parish, including sacramental Confession. They are not permitted to be lowered at any time while in the church except to receive Holy Communion. It is not acceptable for parishioners to lower their face masks while sitting in the pew. Social distancing is to be strictly enforced. The measure of 6 feet between individuals and family groups is to be maintained while seated and moving. Groups are not to gather outside of our churches for social time. Face masks should be worn until a person has left the church property and distanced himself or herself from the other congregants. It should be underscored that this is an act of charity, above all, not an infringement upon a personal right.**
